- 10.2. **Grant of License.** Performing Party grants to TCEQ a nonexclusive, perpetual, irrevocable, enterprise-wide license to reproduce, publish, modify, or otherwise use for any non-commercial TCEQ purpose any preexisting intellectual property belonging to the Performing Party that is incorporated into any new works created as part of the Scope of Work, intellectual property created under this Contract, and associated user documentation.

11. INSURANCE AND INDEMNIFICATION

- 11.1. **Insurance.** Unless prohibited by law, the Performing Party shall require its contractors to obtain and maintain during the Contract Period adequate insurance coverage sufficient to protect the Performing Party and the TCEQ from all claims and liability for injury to persons and for damage to property arising from the Contract. Unless specifically waived by the TCEQ, sufficient coverage shall include Workers Compensation and Employer's Liability Insurance, Commercial Automobile Liability Insurance, and Commercial General Liability Insurance. Before any Performing Party contractor performs any work at a TCEQ facility, Performing Party shall provide TCEQ a Certificate of Insurance for the contractor's Workers Compensation and Employer's Liability Insurance.

11.2. **Indemnification.**

- 11.2.3. TCEQ AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.

- 11.2.4. THIS SECTION IS NOT INTENDED TO AND SHALL NOT BE CONSTRUED TO REQUIRE PERFORMING PARTY OR ITS CONTRACTORS TO INDEMNIFY OR HOLD HARMLESS THE STATE OR TCEQ FOR ANY CLAIMS OR LIABILITIES RESULTING FROM THE NEGLIGENT ACTS OR OMISSIONS OF TCEQ OR ITS EMPLOYEES.

12. TERMINATION

- 12.1. **Termination for Cause.** TCEQ may, upon providing 10 days' written notice and the opportunity to cure to the Performing Party, terminate this Contract for cause if Performing Party materially fails to comply with the Contract including any one or more of the following acts or omissions: nonconforming work or existence of a conflict of interest. Termination for cause does not prejudice TCEQ's other remedies authorized by this Contract or by law.
- 12.2. **Termination for Convenience.** TCEQ may, upon providing 10 days' written notice to the Performing Party, terminate this Contract for convenience. Termination shall not prejudice any other right or remedy of TCEQ or the Performing Party. Performing Party may request reimbursement for: conforming work and timely, reasonable costs directly attributable to termination. Performing Party shall not be paid for: work not performed, loss of anticipated profits or revenue, consequential damages, or other economic loss arising out of or resulting from the termination.
- 12.3. If, after termination for cause by TCEQ, it is determined that the Performing Party had not materially failed to comply with the Contract, the termination shall be deemed to have been for the convenience of TCEQ.

13. DISPUTES, CLAIMS AND REMEDIES

- 13.1. **Payment as a Release.** Neither payment by TCEQ nor any other act or omission other than an explicit written release, in the form of a unilateral amendment, constitutes a release of Performing Party from liability under this Contract.
- 13.2. **Remedies Available to TCEQ.** In the event of Performing Party's nonconformance, TCEQ may do one or more of the following:
- 13.2.1. Issue notice of nonconforming performance;
 - 13.2.2. Reject nonconforming performance and request corrections without charge to the TCEQ;
 - 13.2.3. Reject a reimbursement request or suspend further payments, or both, pending accepted revision of the nonconformity;

- 13.3. **Opportunity to Cure.** The Performing Party will have a reasonable opportunity to cure its nonconforming performance, if possible, under the circumstances.

- 13.4. **Cumulative Remedies.** Remedies are cumulative; the exercise of any remedy under this Contract or applicable law does not preclude or limit the exercise of any other remedy available under this Contract or applicable law.
- 13.5. The dispute resolution process provided in Chapter 2009 of the Texas Government Code is available to the parties to resolve any dispute arising under this Contract.

14. SOVEREIGN IMMUNITY

- 14.1. The parties agree that this Contract does not waive any immunity from suit or from liability to which the Performing Party or the State of Texas is entitled by law.

15. SURVIVAL OF OBLIGATIONS

- 15.1. Except where a different period is specified in this Contract or applicable law, all representations, indemnifications, and warranties made in, required by or given in accordance with the Contract, as well as all continuing obligations indicated in the Contract, survive for four (4) years beyond the termination or completion of the Contract, or until four (4) years after the end of a related proceeding. A related proceeding includes any litigation, legal proceeding, permit application, or State Office of Administrative Hearings proceeding, which is brought in relation to the Contract or which in TCEQ's opinion is related to the subject matter of the Contract. Either party shall notify the other of any related proceeding if notice of the proceeding has not been provided directly to that other party.

16. UNIFORM ASSURANCES

- 16.1. **Uniform Assurances.** Performing Party assures compliance with the following uniform assurances from TxGMS, as applicable to this Contract. Other assurances from TxGMS may be included elsewhere in this Contract.

 - 16.1.3. Performing Party certifies that it and its principals are not suspended or debarred from doing business with the state or federal government as listed on the State of Texas Debarred Vendor List maintained by the Texas Comptroller of Public Accounts and the System for Award Management (SAM) maintained by the General Services Administration.

- 16.1.4. Performing Party agrees that any payments due under the Contract shall be applied towards any debt or delinquency that is owed to the State of Texas.
- 16.1.5. Performing Party represents and warrants that it will comply with Texas Government Code Section 2252.906 relating to disclosure protections for certain charitable organizations, charitable trusts, and private foundations.
- 16.1.6. In accordance with Texas Government Code Section 669.003, relating to contracting with the executive head of a state agency, Performing Party certifies that it is not (1) the executive head of the TCEQ, (2) a person who at any time during the four years before the date of the Contract was the executive head of the TCEQ, or (3) a person who employs a current or former executive head of the TCEQ affected by this section.
- 16.1.7. Performing Party acknowledges and agrees that appropriated funds may not be expended in the form of a grant to, or contract with, a unit of local government unless the terms of the grant or contract require that the funds received under the grant or contract will be expended subject to the limitations and reporting requirements similar to those provided by the following:
 - Parts 2 and 3 of the Texas General Appropriations Act, Art. IX, except there is no requirement for increased salaries for local government employees;
 - Sections 556.004, 556.005, and 556.006 of the Texas Government Code; and
 - Sections 2113.012 and 2113.101 of the Texas Government Code.
- 16.1.8. Performing Party represents and warrants that TCEQ's payments to Performing Party and Performing Party's receipt of appropriated or other funds under the Contract are not prohibited by Texas Government Code Section 556.0055 which restricts lobbying expenditures.
- 16.1.9. If Performing Party is a governmental entity, it represents and warrants its compliance with Chapter 551 of the Texas Government Code which requires all regular, special or called meetings of a governmental body to be open to the public, except as otherwise provided by law.
- 16.1.10. Performing Party represents and warrants that it does not perform political polling and acknowledges that appropriated funds may not be granted to, or expended by, any entity which performs political polling.
- 16.1.11. If Performing Party is a local entity, Performing Party certifies that it has not received a final judicial determination finding it intentionally adopted or enforced a policy that prohibited or discouraged the enforcement of a public camping ban in an action brought by the Attorney General under Local Government Code Section 364.003. If Performing Party is currently being sued under the provisions of Local Government Code Section 364.003, or is sued under this section at any point during the duration of this grant, Performing Party must immediately disclose the lawsuit and its current posture to the TCEQ.
- 16.1.12. Performing Party represents and warrants that it will comply with Texas Government Code Section 321.022, which requires that suspected fraud and unlawful conduct be reported to the State Auditor's Office.

17. RELEASE OF RECORDS AND CONFIDENTIAL INFORMATION

- 17.1. **For Records in Possession of TCEQ.** Performing Party agrees that TCEQ shall have the discretion to determine whether records in its possession should be released or whether an exception should be pursued from the Office of the Attorney General of Texas (OAG). If TCEQ receives a Public Information Act (PIA) request related to the records that the Performing Party has submitted and marked confidential, TCEQ will inform Performing Party of the request in a timely manner sufficient to permit Performing Party to make an argument of confidentiality to the OAG.
- 17.2. **For Records in the Possession of an Entity to Which the PIA Applies.** This provision applies to a request for records that are in the possession of an entity to which the PIA applies. If Performing Party, a subrecipient, a contractor, or subcontractor receives a request for the records, it shall inform the TCEQ (and any awarding agency through whom funds from the TCEQ have passed) of the request in a timely manner with sufficient time to permit TCEQ to instruct the Performing Party to request (or require its subrecipient to request) an opinion from the OAG so that TCEQ may make an argument of confidentiality to the OAG.
- 17.3. **For Records in the Possession of an Entity to Which the PIA Does Not Apply.** This provision applies if the Performing Party or Performing Party's contractor or subcontractor or subrecipient receives a request for records in its possession but the entity is not subject to the PIA. The Performing Party shall require the entity in possession of the records to immediately transfer a copy of the request and all records that are responsive to the request up the contractual/grant chain (e.g., nonprofit subrecipient to Performing Party) until the request and records reach an entity that is subject to the PIA. The preceding provision regarding records in the possession of the Performing Party or a subrecipient will then apply.
- 17.4. Performing Party shall ensure that its subgrants and contracts/subcontracts include language to enforce these requirements.
- 17.5. **Confidential Information.**
- 17.5.1. **TCEQ's Confidential Information.** If TCEQ provides Performing Party information identified as confidential or proprietary, Performing Party has a duty to maintain its confidentiality and prevent unauthorized release, except as required under the PIA and by the processes set forth in the following provisions: *For Records in the Possession of an Entity to Which the PIA Applies* and *For Records in the Possession of an Entity to Which the PIA Does Not Apply* (detailed above). Performing Party is permitted to use, copy, and disclose confidential information to Performing Party employees, subrecipients, and contractors only as necessary to fulfill Performing Party's obligations.
- 17.5.2. **Performing Party's Confidential Information.** If Performing Party submits information to TCEQ that it believes is subject to a PIA exception and should not be released, it shall mark each page of such information with "CONFIDENTIAL; INFORM PERFORMING PARTY AND SEEK OAG OPINION PRIOR TO RELEASE" or a similar statement. TCEQ will handle requests for information marked confidential by the Performing Party as set forth in the provision above titled *For Records in Possession of TCEQ*. The following information is considered public information under Texas Government Code Section 552.1101(b) regardless of whether Performing Party identifies it as being confidential:
- information in a voucher or contract relating to the receipt or

expenditure of public funds by a governmental body; or

- communications and other information sent between a governmental body and a vendor or contractor related to the performance of a final contract with the governmental body or work performed on behalf of the governmental body.

Information specified in Texas Government Code Section 552.0222 as not being within an exception to disclosure is releasable regardless of whether Performing Party identifies it as being confidential.

- 17.6. Performing Party must take reasonable cybersecurity and other measures to safeguard information including protected personally identifiable information (PII) and sensitive information. Performing Party must be in compliance with applicable federal, state, and local laws regarding privacy and obligations of confidentiality.

18. MISCELLANEOUS

Notices delivered by other means are deemed delivered upon receipt by the addressee. Routine communications may be made by first class mail, email, or other commercially accepted means.
- 18.4. **Interpretation of Time.** All days are calendar days unless stated otherwise. Days are counted to exclude the first and include the last day of a period. If the last day of the period is a Saturday or Sunday or a state or federal holiday, the period ends on the following day.
- 18.5. **State, Federal Law.** This Contract is governed by and interpreted under the laws of the State of Texas, as well as applicable federal law.
- 18.6. **Severability.** If any provision of this Contract is found by any court, tribunal, or administrative body of competent jurisdiction to be wholly or partly illegal, invalid, void, or unenforceable, it shall be deemed severable (to the extent of such illegality, invalidity, or unenforceability) and the remaining part of the provision and the rest of the provisions of this Contract shall continue in full force and effect. If possible, the severed provision shall be deemed to have been replaced by a valid provision having as near an effect to that intended by the severed provision as will be legal and enforceable.
- 18.7. **Assignment.** No delegation of the obligations, rights, or interests in the Contract, and no assignment of payments by Performing Party will be binding on TCEQ without its written consent, except as restricted by law. No assignment will release or discharge the Performing Party from any duty or responsibility under the Contract.
- 18.8. **Venue.** Performing Party agrees that the Contract is being performed in Travis County, Texas, because this Contract has been performed or administered, or both, in Travis County, Texas. The Performing Party agrees that any cause of action involving this Contract arises solely in Travis County, Texas.

- 18.9. **Publication.** Performing Party agrees to notify TCEQ five (5) days prior to the publication or advertisement of information related to this Contract. Performing Party agrees not to use the TCEQ logo or the TCEQ graphic or the likenesses of TCEQ employees as an advertisement or endorsement without written permission signed by the appropriate TCEQ authority. Except as otherwise specified in the Contract, the Performing Party shall acknowledge the financial support of the TCEQ in publications, websites, reports, media, and other documents developed for public distribution as a part of this Contract. For these materials, other than documents prepared exclusively for internal use within the TCEQ, the Performing Party shall use the following statement:

- 18.10. **Waiver.** With the exception of an express, written waiver in the form of a unilateral amendment signed by TCEQ, no act or omission will constitute a waiver or release of Performing Party's obligation to perform conforming contract activities. No waiver on one occasion, whether expressed or implied, shall be construed as a waiver on any other occasion.
- 18.11. **Compliance with Laws.** TCEQ relies on Performing Party to perform all contract activities in conformity with all applicable laws, regulations, and rules and obtain all necessary permits and licenses.
- 18.12. **Counterparts.** This Contract may be signed in any number of copies. Each copy when signed is deemed an original and each copy constitutes one and the same Contract.
- 18.13. **Accessibility.** All electronic content and documents created as deliverables under this Contract must meet the accessibility standards prescribed in Title 1 Texas Administrative Code Section 206.50 and Chapter 213 for state agency web pages, web content, software, and hardware, unless TCEQ agrees that exceptions or exemptions apply.

Travel	\$0.00
Supplies	\$24,594.75

Other	\$0.00
Total Direct Costs	\$37,518.25

b. Indirect Costs

Distribution Base Amount (identify Base type below)	\$7,500.00
Indirect Cost Rate for Reimbursement	24.29%
Total Indirect Costs	\$1,821.75

c. Maximum Authorized Reimbursement

Maximum Authorized Reimbursement (Direct and Indirect Costs)	\$39,340.00
--	-------------

2. Indirect Cost Distribution Base. The Distribution Base above is (check one):

☐ direct salary/wages and fringe benefits

☐ modified total direct costs

☒ other direct cost Base

If other direct cost Base, identify: Salary/Wages

The indirect cost rate is (check one):

- ☒ **Predetermined Rate**— an indirect rate that is negotiated between the Performing Party and its federal cognizant agency and supported by a current Negotiated Indirect Cost Rate Agreement (NICRA) letter. A Predetermined Rate is not subject to adjustment except as provided by 2 Code of Federal Regulations (CFR) § 200.411.
- ☐ **De Minimis Rate**— if Performing Party does not have a current negotiated indirect rate, Performing Party may use a standard rate of 15 percent of Modified Total Direct Costs (MTDC) in lieu of determining the actual indirect costs of the service. Costs must be consistently charged as either indirect or direct costs.
- ☐ **Partial Reimbursement Rate**— a reimbursement rate agreed to between TCEQ and Performing Party that is less than the rate authorized under TxGMS or, where applicable, 2 CFR Part 200. Performing Party contributes all of its unreimbursed indirect costs to the successful performance of the project or projects funded under this Contract, in accordance with Article 9 of this section. [If this is a Partial Provisional Rate, include the following language: "This is a Partial Provisional Rate. Any adjustment is subject to the requirements of Article 9 of this section; however, no adjustment will be made unless the finally determined actual indirect costs are lower than the Partial Indirect Cost reimbursement made under the Contract."]
- ☐ **Other:** [Examples: De Minimis Rate with a base of direct salary and wages (less than or equal to actual indirect costs) or Provisional Rate. If this is a Provisional Rate, include the following language: Provisional Rate: The subsequent adjustment of the indirect cost rate is subject to the requirements of Article 9 of this section.]

3. **Other.** If Budget Category "Other" is greater than \$25,000 or more than 10% of budget total, identify the main constituents:

N/A

4. **Travel.** In order to be reimbursable, travel costs must be specifically authorized in advance of the travel. Travel costs will be reimbursed only in the amount of actual costs, up to the maximum allowed by law for employees of the State of Texas at the time the cost is incurred.
5. **Budget Categories.** The Budget Categories above are representative of the items of cost found in TxGMS and 2 CFR Part 200, and have the definitions, requirements, and limitations found therein. Construction costs are not reimbursable without prior, specific written authorization from TCEQ.
6. **Budget Control.**
- Cumulative transfers equal to or less than 10% of the Total Budget.** Performing Party may transfer amounts between the approved cost budget categories so long as cumulative transfers from cost budget categories during the Contract Period do not exceed ten percent (10%) of the total budget amount. Performing Party must timely submit a Budget Revision Request (BRR) Form reflecting the revised budget. Upon acknowledgement by TCEQ, the BRR will be incorporated into this Contract as though it is a document revised under General Term and Condition Section 1.2. The 10% limit does not reset with the approval of each BRR. It resets when an amendment is signed by the parties reflecting changes to the budget.
 - Cumulative transfers greater than 10% of the Total Budget.** TCEQ must **pre-approve in writing** all budget revisions that result in the cumulative transfer from cost budget categories of funds greater than 10% of the total budget during the Contract Period.

- c. Performing Party may not transfer amounts to budget categories containing zero dollars without TCEQ pre-approval in writing.
 - d. If a transfer between approved cost budget categories results in a change in the total reimbursable indirect cost amount, the change in the reimbursable indirect cost amount is subject to the requirements of this Budget Control clause and must be documented in the BRR or an amendment, as applicable. The Performing Party may elect to reduce the reimbursable indirect cost amount below its total indirect costs to meet the requirements of this Budget Control clause.
7. **Invoice Submittal.** All invoices must be submitted in a format that clearly shows how the budget control requirement is being met. Unless otherwise stipulated in the Contract, invoices, including the Financial Status Report (or if allowed specifically in the Contract, substitute form(s)), must be submitted to the individual named in the Notices, Project Representatives and Records Location document at the following intervals.
- ☐ Monthly ☒ Quarterly
- Invoices shall be submitted within ☒ 30 days ☐ 45 days of the end of the interval checked above.
- Final invoices shall be submitted within forty-five (45) calendar days after completing the Scope of Work activities. TCEQ may unilaterally extend this deadline by e-mail.
8. **Supporting Records.** Performing Party shall submit records and documentation to TCEQ as appropriate for the review and approval of reimbursing costs. TCEQ may reject invoices without appropriate supporting documentation. TCEQ has the right to request additional documentation such as expenses for the invoice period, year-to-date expenses, projected totals for the year (or applicable contract period), percent of budget spent to date, and percentage of budget projected to be spent. Performing Party shall maintain records subject to the terms of this Contract.
9. **Indirect Costs.** Performing Party's indirect costs will be reimbursed at the reimbursable rate entered above. If no reimbursable rate is shown above, indirect costs are not reimbursable under this Contract. The reimbursable rate must be less than or equal to the rate authorized under TxGMS or, where applicable, 2 CFR Part 200. To the extent that the reimbursable rate is lower than Performing Party's actual indirect costs, Performing Party is contributing its unreimbursed indirect costs to the successful performance of the project(s) funded under this Contract, and waives any right it may have to reimbursement of those costs. Performing Party must fund all unreimbursed indirect costs from sources that may be properly used to fund such unreimbursed costs (e.g., unrestricted funds). Performing Party must not charge unreimbursed indirect costs to a different state or federal grant without each grantor's written permission.
- a. If this Contract requires matching funds, Performing Party may, with written TCEQ approval (and federal awarding agency approval if the match is required by a federal grant), claim its unreimbursed indirect costs as part or all of its match.

Financial Status Report Preparation Instructions

1. The Performing Party, in order to obtain reimbursement for those expenditures authorized under this Contract, shall submit a completed, legible, TCEQ Financial Status Report ("FSR", TCEQ Form 20248) and provide any required receipts or documentation.
2. The FSR must be submitted as directed under the Contract (monthly, quarterly, etc.) and meet any contractual time periods and deadlines.
3. An FSR is required even if no expenses were incurred during the report period.
4. **Salary/Wage Expenditures:** Unless otherwise specified in the Contract, the Performing Party does not need to attach timesheets to the FSR. The Performing Party is, however, expected to maintain such documentation that can serve to verify the total, overall hours of staff time being directly billed to this Contract. The Performing Party must provide a Level-of-Effort Certification for each salaried employee performing work under this Contract, where costs are determined based on percentage of the employee's time performing activities; unless, in accordance with the Contract and its General Terms and Conditions, TCEQ has approved another method of documentation.
5. **Travel Expenditures:** Unless otherwise specified in the Contract, the Performing Party must attach documentation that substantiates travel-related costs such as legible copies of Performing Party-approved travel vouchers signed by the employee who traveled; receipts showing the traveler's name, travel location, and travel dates; and itemized receipts for meals, lodging, and transportation.
6. **Supplies:** Unless otherwise specified in the Contract, for any single item costing more than \$500, the Performing Party must attach documentation that identifies the good, the vendor or subcontractor who provided the good, and reflects the reimbursable amount listed on this form. Preferred documentation includes receipts, purchase orders, and/or invoices showing "received/paid". The Performing Party may not intentionally break up orders for the purpose of avoiding a requirement to provide confirming documentation.
7. **Equipment Expenditures:** TCEQ may disallow the cost of equipment purchased without prior approval. Performing Party must attach documentation that identifies the specific piece of equipment received, the serial or other identification number, the vendor who provided the equipment, and reflects the reimbursable amount listed on this form. The documentation must be either a purchase order marked "received/paid" or a vendor-provided invoice or receipt similarly showing that the expense was both paid by the Performing Party and is now in the Performing Party's possession.
8. **Contractual Expenditures:** Performing Party must attach documentation reflecting the contractual expenditure that identifies the services received, the subcontractor who provided the services, and reflects the reimbursable amount listed on this form. Documentation reflecting the contractual expenditure must include a dated invoice, purchase order, or receipt that shows the amount billed to and paid by the Performing Party and any "past due" amount from previous invoices.
9. **Construction:** Performing Party must attach documentation that demonstrates its expenditures toward completion of the Task associated, including any schedule of values or other estimates related to the work completed.
10. **Other Expenditures:** Unless otherwise specified in the Contract, for any subaward, single item, or service costing more than \$500, the Performing Party must attach documentation that identifies the good or service, any subgrantee that performed work, and reflects the reimbursable amount listed on this form. Preferred documentation includes receipts, purchase orders and/or invoices showing "received/paid," documentation demonstrating expenditures towards completion of the Task associated, and for expenditures by subgrantees, documentation sufficient for verifying completion of the Task or objective associated with an expenditure including documentation otherwise required under a deliverable. The Performing Party and any subgrantee may not intentionally break up orders for the purpose of avoiding a requirement to provide confirming documentation.

11. **Other In-Kind Contributions:** In-kind, donated goods/equipment, or volunteer services may be recorded as contributing towards the cost-share or matching share only. These costs may not be reimbursed by TCEQ. The Performing Party must follow [2 CFR 200.306](#) for valuing and documenting these amounts.
12. A single expenditure may support more than one task or objective. The Performing Party may list multiple tasks or objectives supported.

Coastal Bend Council of Governments

MEMORANDUM

TO: Board Members of the Coastal Bend Council of Governments

FROM: Mary Z. Afuso, Director of Planning and Economic Development

DATE: September 25, 2025

SUBJECT: Approval to enter into contract with Ardurra Group, Inc.

Summary: CBCOG will enter into a contract with Ardurra Group engineering to conduct Wastewater Facility Assessments.

Background: Coastal Bend Council of Governments is under contract with the Harte Research Institute to assist with the Clean Coast Texas Grant awarded to TAMUCC by the General Land Office. Many rural wastewater treatment plants cannot get the improvement funding they need because the grants require an assessment stamped by a licensed engineer. The Clean Coast Texas grant set aside funds to procure engineering assessments. CBCOG is tasked with contracting engineering assessments for up to five (5) rural wastewater treatment plants.

CBCOG issued an RFQ for engineering firms to conduct the assessment. Three companies responded. A committee selected Ardurra Group as the most qualified.

Financial Impact: Wastewater Assessments: not to exceed \$150,000.00.

Comprehensive Economic Development Strategy Goal or Objective:

GOAL 2: Strengthen Resilient Infrastructure Investments;

Staff Recommendation: It's the staff's recommendation to allow the Executive Director to enter into a contract with Ardurra Group to conduct the assessments.

COASTAL BEND COUNCIL OF GOVERNMENTS

WHEREAS, CBCOG and Texas A&M Corpus Christi (TAMUCC) entered into an agreement for CBCOG to provide engineering assessments to up to five (5) wastewater treatment plants on December 4, 2024 as a subcontractor to the Clean Coast Texas grant awarded to TAMUCC by the General Land Office (GLO); and

WHEREAS, the partnership described herein aligns directly with the CEDS Goal 2: Strengthen Resilient Infrastructure Investments adopted by this Board during the October 2021 meeting; and

WHEREAS, wastewater treatment plant assessments must be stamped by an engineer licensed in the State of Texas; and

WHEREAS, CBCOG issued an RFP for engineering services in accordance with CBCOG procurement policy as well as GLO procurement policy; and

WHEREAS, Ardurra Group, Inc was selected as the most qualified to offer services; and

WHEREAS, the proposed contract is attached to this resolution;

NOW, THEREFORE, BE IT RESOLVED, that the Coastal Bend Council of Governments gives the Executive Director authority to enter into a contract with Ardurra Group, Inc.

Duly adopted at a meeting of the Coastal Bend Council of Governments on this 25th day of September, 2025.

Client, or such authorized representative, shall render decisions in a timely manner pertaining to documents submitted by Consultant in order to avoid unreasonable delay in the orderly and sequential progress of the Services.

- C. Client is alone responsible for payment to Consultant under this Agreement and such duty to pay Consultant shall not be subject to any third party agreement.
- D. If Client designates a construction manager, agent, or an individual or entity to represent Client at the Project site and coordinate the Project, Client will define and set forth the duties, responsibilities, and limitations of authority of such other party and the relation thereof to the duties, responsibilities, and authority of Consultant, but Owner remains responsible for such manager, agent, individual, or other.

4.01 Termination

- A. The obligation to continue performance under this Agreement may be terminated:
 - 1. For cause, by either party, upon ten (10) days written notice in the event of substantial failure by the other party to perform in accordance with this Agreement through no fault of the terminating party.  - 2. By Consultant:
 - a. upon seven (7) days written notice if Client demands that Consultant furnish or perform services contrary to Consultant's responsibilities as a licensed professional; or
 - b. upon seven (7) days written notice if the Consultant's Services are delayed for more than ninety (90) days for reasons beyond Consultant's control.Consultant shall have no liability to Client on account of a termination for cause by Consultant.
 - 3. By either party, for convenience, upon thirty days written notice to the other party.
- B. This Agreement will not terminate as a result of a substantial failure under Paragraph 4.01.A.1 or 4.01.A.2 if the party receiving such notice begins, within seven days of receipt of such notice, to correct its substantial failure to perform and proceeds diligently to cure such failure within no more than thirty (30) days of receipt of notice; provided, however, that if and to the extent such substantial failure cannot be reasonably cured within such 30 day period, and if such party has diligently attempted to cure the same and thereafter continues diligently to cure the same, then the cure period provided for herein shall extend up to, but in no case more than, sixty (60) days after the date of receipt of the notice. Notwithstanding the foregoing, Client's failure to compensate Consultant shall not be subject to this Paragraph 4.01.B.
- C. In the event of any termination under Paragraph 4.01, Client will compensate Consultant for all Services and Additional Services performed, plus reimbursement of expenses incurred through and including the effective date of termination in connection with providing the Services and Additional Services.
- D. Termination of this Agreement shall not affect any right or obligation of any party which is accrued or vested prior to such termination, and any provision of this Agreement relating to any such right or obligation shall be deemed to survive the termination of this Agreement. The indemnities, audit rights, representations, warranties, covenants, guarantees, confidentiality obligations, insurance requirements, and intellectual property rights provisions set forth herein shall survive termination or expiration of this Agreement, in addition to any other provisions which by their nature should, or by their express terms do, survive or extend beyond termination or expiration of this Agreement.

5.01 Successors, Assigns, and Beneficiaries

- A. Client and Consultant and their respective successors, executors, administrators, and legal representatives (and to the extent permitted by Paragraph 5.01.B the assigns of Client and Consultant) are hereby bound to the other party to this Agreement and to the successors, executors, administrators, and legal representatives (and said assigns) of such other party, in respect of all covenants, agreements, and obligations herein.
- B. Neither party may assign or transfer its rights or obligations under this Agreement without the prior written consent of the other; provided, however, that either party may, without consent, assign this Agreement as a result of a merger or a sale of all or substantially all of the assets or stock of that party or to a parent, subsidiary or affiliate as part of any internal reorganization.

- C. Nothing herein shall be construed to create, impose, or give rise to any duty owed by either party to any third party including any surety for or employee of any of them. All duties and responsibilities undertaken pursuant to this Agreement are for the sole and exclusive benefit of the parties and not for the benefit of any other.

6.01 *Standards; Services; Insurance; Indemnity; Damages*

A. Standard of Care; Consultant's Performance:

1. The standard of care for all Services performed or furnished by Consultant will be the care and skill ordinarily used by members of the subject profession practicing under similar circumstances at the same time and in the same locality. Consultant makes no warranties, express or implied, under this Agreement or otherwise, in connection with any Services. Consultant may use or rely upon design elements and information ordinarily or customarily furnished by others, including, but not limited to, specialty contractors, manufacturers, suppliers, and the publishers of technical standards. Consultant shall not at any time supervise, direct, control, or have authority over any party's work, nor shall Consultant have authority over or be responsible for the means, methods, techniques, sequences, or procedures of construction selected or used by any party, or the safety precautions and programs incident thereto, for security or safety at the Project site, nor for any failure of a party to comply with laws and regulations applicable to such party's furnishing and performing of its work. Consultant neither guarantees the performance of any party nor assumes responsibility for any party's work.
2. Any opinion offered by Consultant of probable construction cost is made based on Consultant's experience, qualifications, and general familiarity with the construction industry. However, because Consultant has no control over the cost of labor, materials, equipment, or services furnished by others, or over contractors' methods of determining prices, or over competitive bidding or market conditions, Consultant cannot and does not guarantee that proposals, bids, or actual construction cost will not vary from opinions of probable construction cost prepared by Consultant. If Client requires greater assurance as to probable construction cost, then Client agrees to obtain an independent cost estimate. Consultant shall not be responsible for any decision made regarding construction contract requirements, or any application, interpretation, clarification, or modification of the construction contract documents other than those made by Consultant or its consultants.
3. Consultant's Services do not include any services related to unknown or undisclosed Constituents of Concern. If Consultant or any other party encounters, uncovers, or reveals an unknown or undisclosed Constituent of Concern, then Consultant may, at its option and without liability for consequential or any other damages, suspend performance of Services on the portion of the Project affected thereby until such portion of the Project is no longer affected, or terminate this Agreement for cause if it is not practical to continue providing Services. A "Constituent of Concern" means asbestos, petroleum, radioactive material, polychlorinated biphenyls (PCBs), hazardous waste, and any substance, product, waste, or other material of any nature whatsoever that is or becomes listed, regulated, or addressed pursuant to (a) the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§9601 et seq. ("CERCLA"); (b) the Hazardous Materials Transportation Act, 49 U.S.C. §§5101 et seq.; (c) the Resource Conservation and Recovery Act, 42 U.S.C. §§6901 et seq. ("RCRA"); (d) the Toxic Substances Control Act, 15 U.S.C. §§2601 et seq. ("TSCA"); (e) the Clean Water Act, 33 U.S.C. §§1251 et seq.; (f) the Clean Air Act, 42 U.S.C. §§7401 et seq.; or (g) any other federal, State, or local statute, law, rule, regulation, ordinance, resolution, code, order, or decree regulating, relating to, or imposing liability or standards of conduct concerning, any hazardous, toxic, or dangerous waste, substance, or material.

- B. Insurance: Consultant shall secure and maintain, at its own expense, Workers' Compensation insurance coverage for its employees performing the Work in accordance with statutory limits applicable to the State wherein the Work is completed. Consultant shall also procure and maintain General Liability, Automobile Liability and Professional Liability insurance at the limits and coverages specified below:

1. General Liability coverage of \$1,000,000 per occurrence, and \$2,000,000 in aggregate. General Liability coverage shall include broad-form contractual liability, personal injury, death, damage to property, and destruction of property.
2. Automobile Liability coverage of \$1,000,000.
3. Professional Liability coverage of \$1,000,000 per claim and \$1,000,000 in aggregate.

Certificates of insurance will be furnished to Client upon request.

- C. Indemnification: To the fullest extent permitted by law, Consultant and Client each agree to indemnify and hold harmless each other from all claims, lawsuits, or legal actions that arise out of, pertain to, or relate to damages, losses, personal injuries, death and property liability to the extent caused by the negligence or willful misconduct of the indemnifying party, its contracted parties, representatives, agents and employees. In no event shall either party indemnify the other party for the other party's own errors, omissions, negligence, willful misconduct, or fault.
- D. Limit of Liability: To the fullest extent permitted by law, Client and Consultant agree that Consultant's total liability to Client under this Agreement shall be limited to the lesser of 1) the total amount of compensation received by Consultant, or 2) the limits of applicable insurance coverages described in Paragraph 6.01.B above.
- E. Consequential Damages. Client and Consultant waive against each other, and the other's employees, officers, directors, members, agents, insurers, partners, and consultants, any and all claims for or entitlement to special, incidental, indirect, or consequential damages arising out of, resulting from, or in any way related to this Agreement or the Project.

Cyber Benchmark

Cyber Vulnerability Assessment & Prioritization

Enhance your security readiness and minimize the risk of a breach by gaining a clear understanding of the real areas of vulnerability within your network.

What Can I Expect During an Assessment?

We Get to Know You & Your Network

Through an initial consultation SecuLore gains baseline information on your network architecture and cybersecurity goals, to better customize the CyberBenchmark to fit your organization's needs.

We Passively Collect Network Data for 1 week

SecuLore staff, your Dealer/Reseller, or your own IT staff will install our proprietary network device on your network. It's an agentless installation that takes just minutes. This device will capture 1 week of raw network data for forensic analysis. This data is central to how we approach your risk assessment and remediation recommendations.

We Perform An In-Depth Analysis

SecuLore's step by step analytical process follows industry best practices and continually evolves to include the latest threat detection techniques.

Real Data Capture From Your Network

Unlike other cybersecurity companies, our assessments and recommendations are based on real data from your network in addition to our years of experience.

Actionable Data & Recommendations

Your organization will receive detailed resources and knowledge to better understand your network's vulnerabilities. Based on FCC, APCO, DHS, NIST and NENA Best Practices.

Master IP Address List

This is critical for inventorying all IT assets on a network, including potential hidden or unauthorized ones, and helping each organization understand its potential attack surface. Once all IPs are known, organizations can scan each for known vulnerabilities, misconfigurations, or weaknesses.

Cyber Incident Response Plan

A customized recommended action plan to guide your team when a cyber incident occurs. This is based on our years of industry experience in addition to our specific knowledge about your network and resources.

Prioritized List of Vulnerabilities

A prioritized list of all vulnerabilities discovered based on the risk each faces to your organization.

Key Cybersecurity Policies

Customized cybersecurity policies recommendations specific to your network environment to further fortify your organization's cyber posture.

Remediation Recommendations

Actionable vulnerability remediation recommendations for each segment captured.

Full Post-Project Report

A complete review of the project's findings.
